

Travel to Dundee:

By Rail - The Dundee Railway Station is only a few minutes walk from the City Centre. A taxi rank can be found at the entrance/exit. A taxi direct to Ninewells Hospital would take 5-10 minutes. Rail services are available at www.nationalrail.co.uk or www.thetrainline.com

By Car - Please use Ninewells Avenue, **DD2 1UB for SAT NAV use**, Car Park 9 and the multi-story car park are long-stay parking, please do not use the patients short stay parking closer to the hospital entrance.

Car parking is now free of charge and extremely busy in the morning, please arrive in the car park before 08.15hrs to be guaranteed a space.

By Air - Dundee Airport is situated on Riverside Drive 3 miles to the west of the City Centre. Only a 5-minute drive from Ninewells Hospital. Taxis are available at the airport.

International Flights:

- * Edinburgh Airport - Distance 58 miles, Tel: 0844 481 8989
- * Aberdeen Airport - Distance 76 miles, Tel: 0844 481 6666
- * Glasgow Airport - Distance 87 miles, Tel: 0844 481 5555
- * Prestwick Airport - Distance 111 miles, Tel: 01292 511 033

By Bus - Buses run frequently from the City Centre (Whitehall Street) to Ninewells Hospital. The most regular services are that of the Travel Dundee bus **no. 22** and also Strathtay route **no. 73**. Bus stops marked with these bus numbers will have timetables attached and also an electronic display stating when the next bus will be due, usually every 10 minutes at peak times. Exact fare is required on all Travel Dundee buses. Day Tickets can be purchased for around £4.00.

More information can be found at www.traveldundee.co.uk

By Taxi - A taxi rank can be found on Dundee High Street in the City Centre area. Taxis with roof lights illuminated can also be flagged down.
